Questa breve storia è scritta in inglese. Lo studio letterario, al di là del suo valore culturale, è anche il maggiore strumento attraverso il quale si realizza l'apprendimento linguistico. Gli studenti analizzano le opere degli autori inglesi in lingua originale; diventa allora opportuno che anche le informazioni su di essi, un loro rapido profilo, l'essenziale valutazione della loro figura letteraria e del contesto storico-culturale delle varie epoche siano forniti in inglese. In questo libro si presenta un panorama, sintetico ma completo, di ciò che di più bello è stato scritto nella lingua di Shakespeare nel corso del tempo: gli autori fondamentali della letteratura inglese, dunque, e le loro opere più importanti, evitando elenchi di nomi e di testi che poco aggiungono al quadro d'insieme. Un'attenzione particolare viene invece data, in proporzione, al ricco contributo offerto dagli scrittori di origine africana, australiana e neozelandese, canadese, caraibica e indiana.

Bartleby. English language: English language, a West Germanic language of the Indo-European language family that has become the world's lingua franca. The event that began the transition from Old English to
